President's Message

First, I'd like to thank Jacob Bugelli, for producing these great OAA Newsletters we've enjoyed so much.

Unfortunately, Jacob is unable to continue, due to his commuting, and work commitments. Jacob, we all wish you much success in your future career, and life journeys.

A few members have noticed, that individual membership fees are increasing to \$50.00 for the year, beginning January 1st, 2019, from \$40.00. Anyone renewing between now and December 31st, 2018, can do so for the \$40.00 taking the membership to December 31st, 2019. Other memberships, (Student, with valid Student ID, and same address location) will stay the same. The main reason for the increase in Individual Membership Fee, is to cover costs for our "OAA Online Gallery"; where each OAA Member will send us pictures in JPEG format, and we will have every Member showcasing for sale. We'll have members with their two (2) works of art, alphabetically listed, in a "Rolodex" form. We're still ironing out the exact format, ease of payments for customers, and a few other details. This opportunity is ground breaking! There are no other local art organizations/associations offering this, as of yet.

We're looking to provide more incentives for our OAA Inc. Members. Please keep watch for more "launch" information!

Staying with the idea of offering our members the best we can provide, The OAA Inc. is seeking volunteers, for many areas. Newsletter editor, social media (YouTube), tracking, greeting, organizing, administrative, grant writers, liaison people, officers, and directors, are just to name a few positions. In an effort to best match an individual's skill set, we are formulating applications for our volunteers, which our OAA Inc. Confidential Panel, (consisting of an odd number of individuals for fairness), will proceed to match the applicants to the duties. Applications will be made available soon to everyone.

There is, on our OAA Inc. website, listed, our Incorporation Rules and Regulations, that all members are requested to review, and follow. We have Codes of Conduct, Ethical Standards, Copyright, Disciplinary Processes, etc., that are registered as per our Federal Incorporation requirements to follow. I urge everyone to become familiar with our procedural requirements, for better understanding of our

expectation to proceed for the future.

The next upcoming event is The Annual Tree Lighting, November 16th, 2018. Anyone wishing to help hand out candy canes, raffle tickets, promote The OAA Inc., workshops, membership information, and wish the community attendees a Merry Christmas, please contact Aleks Nickolic, by email: aleksnikolic9@gmail.com.

The other upcoming event will be our "Opening" at McLaughlin Square, Units #120 & #119, 50 Richmond Street, Oshawa, on Saturday, December 15th, 2018. We're seeking any artists/artisans for an Artisan Market, to be combined with a "Cupcake Festival", and others from the McLaughlin Concourse, for our "Opening". Please contact Aleks Nickolic, at above email.

I'd like to thank all involved with the Fall Art Festival, held at Camp Samac, for a successful event. Well done everyone!

- Mary Gartlan
